Dear Carol:

Just a short note to thank you for all that you and Creative Access do for the Deaf Community.

Enclosed is a packet we prepared and gave to each parent of Kayla's friends who attended the ballet program and to their first and second grade teachers at Delaware School for the Deaf (DSD).

We will also submit this packet as one of our reports in our Spring ASL course at Delaware Technical Community College (DTCC). We will ask the ASL program coordinator to circulate the packet to each ASL class and will provide copies of the cover letter for each student in the hopes that they will utilize your website and programs.

Enclosed is a small contribution; good luck with your funding campaign.

Best Wishes and Happy Holidays
